A MESSAGE FROM THE DIRECTOR

Meeting the needs of the community is first and foremost as we plan for 2015! The department maintains the Phyllis A. Ernst Senior Center, the Community Center, two swimming pools and 24 parks. The focal point of our parks system is the Roger A. Reynolds Municipal Park featuring eight lighted ball fields, three fishing ponds, disc golf, shelter houses and numerous multipurpose sports fields. We are home to First Responders Park, which is one of the most unique parks in the country paying tribute to the fallen heroes of September 11, 2001.

In 2015, Old Hilliard will see the addition of Hilliard's Station Park. This park will be a multi-faceted facility that will host public and private events. The park includes an amphitheater for entertainment venues, a splash pad and will become the new home for the Hilliard Farmers Market.

The new Heritage Preserve Park (off Alton Darby Creek Road) will also be completed in 2015. There will be approximately 200 acres of passive park land and walking trails in addition to a natural play area where imaginative play is the name of the game!

The department was awarded a substantial grant that will be used to improve and extend the trails through Roger A. Reynolds Municipal Park and make connections to adjacent neighborhoods within the upcoming months.

In 2014, the department began to work on a comprehensive Parks and Public Spaces Master Plan, which is a 10-year vision for our department. We continue to seek input from the community in determining the future of Hilliard's recreation, parks and open spaces. We encourage you to attend some of the department's annual events which include the 4th of July festivities, the Fall Festival, and the Tree Lighting every December in the Historical Village at Weaver Park.

We thank the community for its continued support of the Hilliard Recreation and Parks Department. Our goal is to continually offer enjoyable programs and activities. Please feel free to contact us with any questions or comments you may have.

Steve Mazer, Recreation and Parks Director

CANCELING CLASSES & REFUNDS

In the event of inclement weather conditions, the Hilliard Recreation and Parks Department may cancel programs, special events, drop-in activities and/or close facilities based on the severity of the situation. All daytime (before 5 p.m.) programs are canceled when Hilliard City Schools closes or is on a delay due to inclement weather. Cancellation of evening programs (after 5 p.m.) is determined by 4 p.m. the day of the activity. On Saturdays and Sundays, please call 614.876.5200 by 9 a.m. or visit nbc4i.com or Channel 4 for the latest cancellations. We make decisions based on the severity of the driving and weather conditions along with our ability to keep the sidewalks and parking lots in good condition.

The City of Hilliard Recreation and Parks Department reserves the right to cancel classes for low enrollment. If a class is canceled due to low enrollment, a full refund is issued in the form of a check or credited to your credit card. No cash refunds are issued. Refund checks take approximately three weeks to process and are mailed.

Refund requests and/or transfers must be submitted in writing and are made only before the start of the class for one of the following circumstances:

- When a refund is requested at least seven days in advance of the first class meeting or trip, provided it does not reduce the class participation level below the required minimum.
- Documentation may be required for an approved hardship situation (relocation outside a 25-mile radius of the Community Center or a medical restriction).
- Senior Center refunds \$10 or less are issued as a credit to your household.
- If your request is for an activity or event for which advance tickets were purchased or reservations made, we will issue a refund only if we are able to re-sell your reservation to a patron on the waiting list. If we are unable to re-sell your ticket, you will be responsible for the cost, though may transfer the ticket or reservation to a family or friend.
- We recommend the purchase of travel insurance for trips scheduled through tour companies as many have rigid refund deadlines.
- Refunds may reflect a processing fee.

GENERAL INFORMATION

FAIR SHARE POLICY

Therefore, to be considered a "City Resident" in our registration process, you must live within the city limits of Hilliard. Even though you may have a Hilliard mailing address or live within the Hilliard City School District boundaries, you may not live inside of the Hilliard city limits. We ask for your understanding when registering.

Those registering for a program are asked to provide current verification of residency. You will receive a user name and password for online registration purposes once verification of residency has been established (must update annually).

YOU SNOOZE, YOU LOSE!

Nothing cancels a good class more quickly than everyone waiting until the last minute to register. If there are not enough registrants by a certain date, the program may be canceled. Registering on the day of a class does not save a class. Please register as early as possible!

LITTLE ACORNS CHILDREN'S GARDEN

Visit this children's garden dedicated to teaching children about recycling, composting, non-pesticide gardening and more in Roger A. Reynolds Municipal Park.

HERITAGE TRAIL DOG PARK

The park is located at 7262 Hayden Run Road at the Heritage Trailhead. This park provides Hilliard area residents with a safe place for off-leash play with their dogs. Off-leash play benefits all members of the community. Dogs that have regular exercise are better neighbors. They are quieter, better behaved and friendlier to other people and dogs.

The park features distinct areas for different types of dogs: one acre dedicated to leisure or small dogs and three acres dedicated to active or larger dogs. There is a doggie "sprinkle area" with water features in the middle of the park and a doggie drinking fountain. There are also pathways through the park that lead to benches and shaded areas.

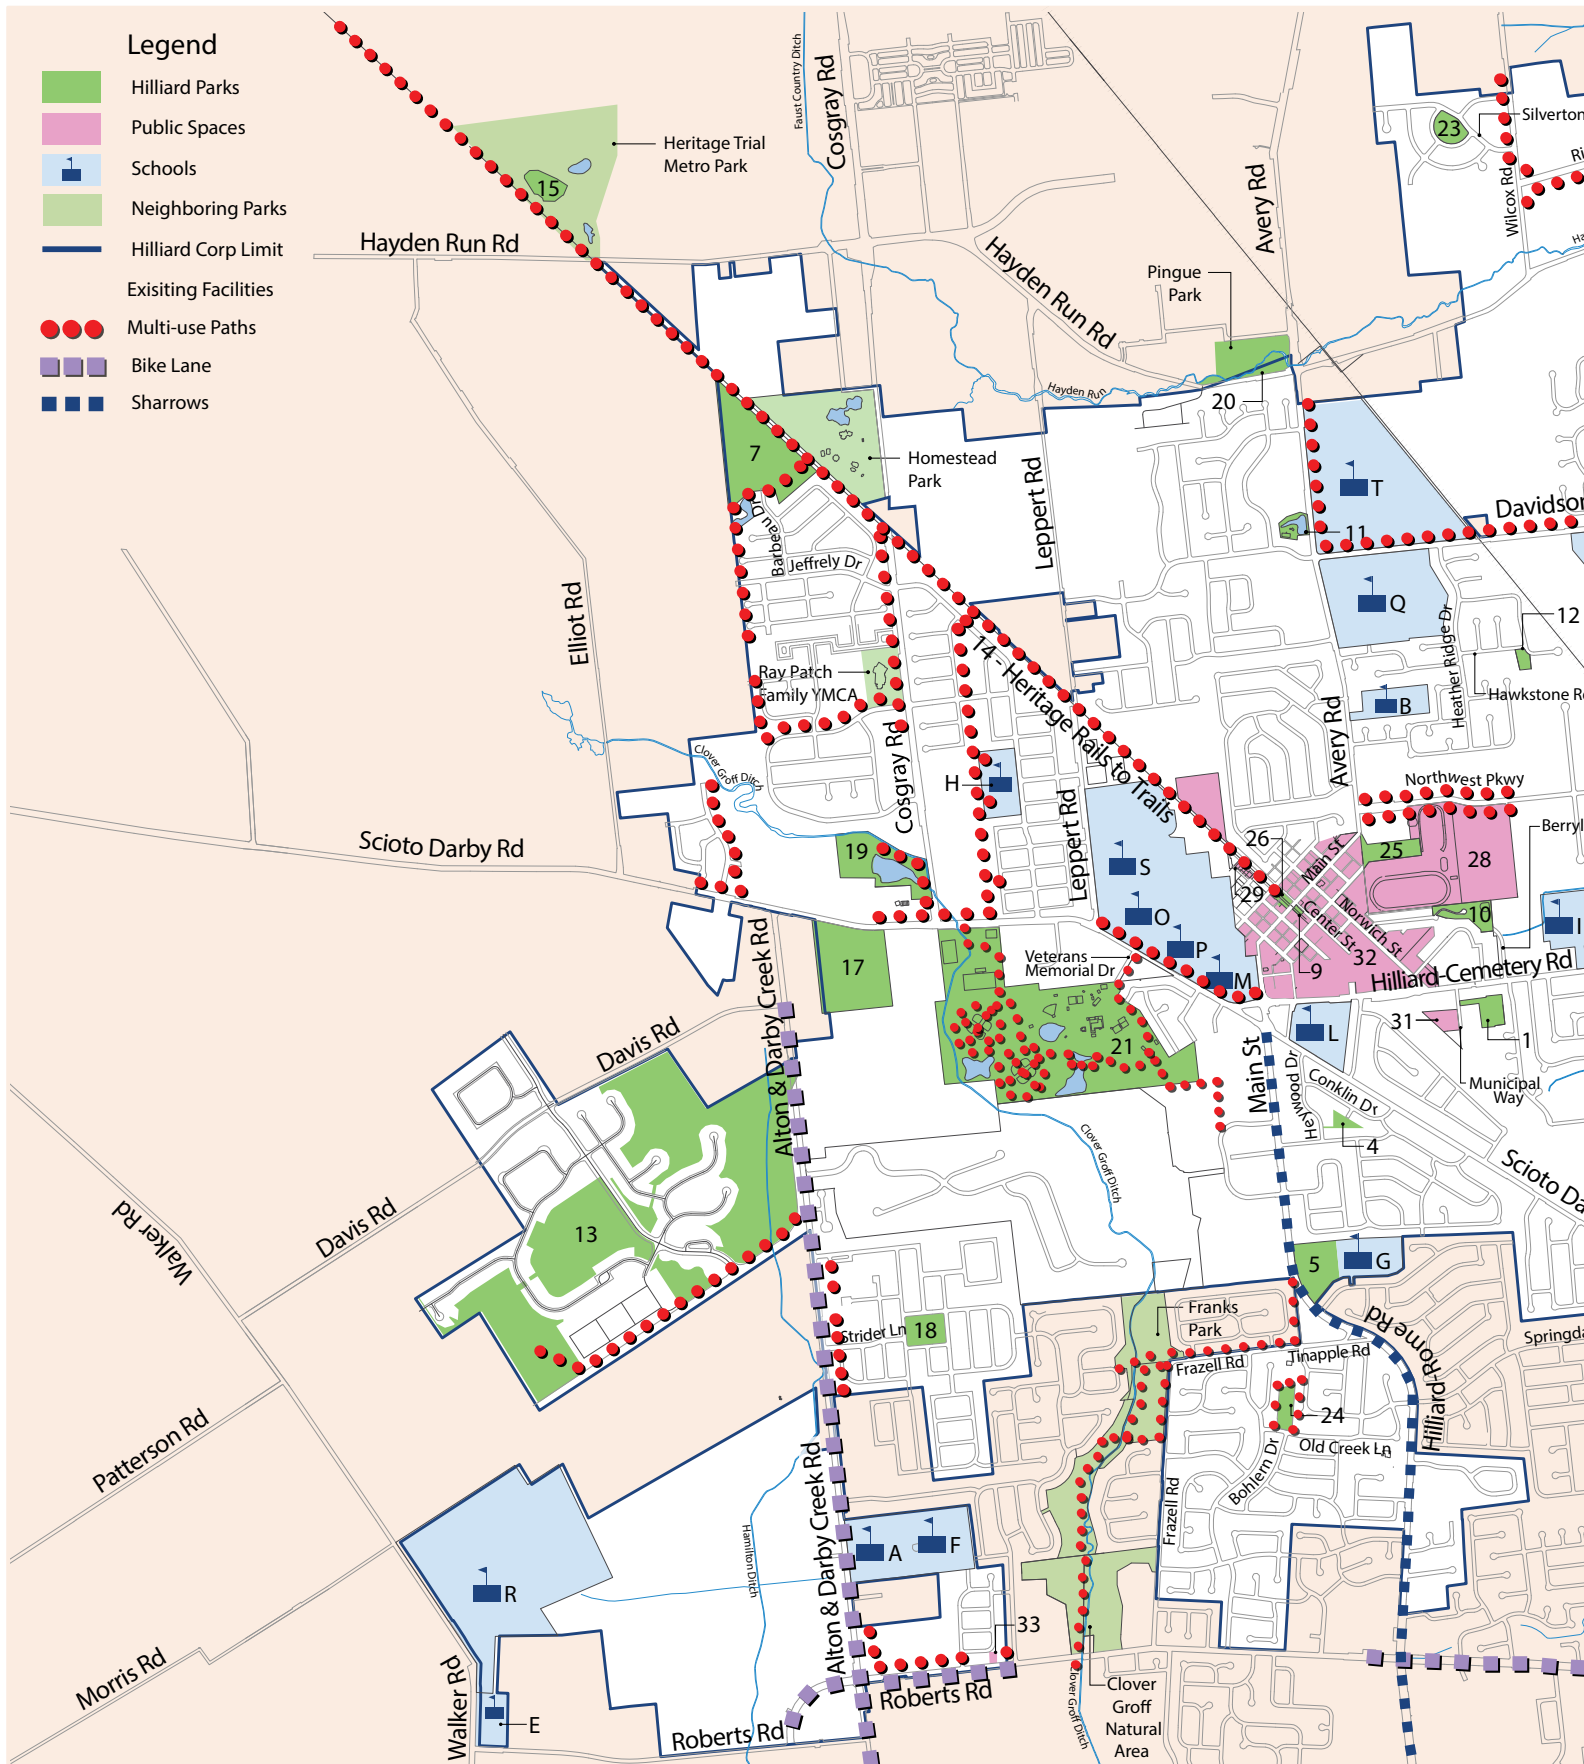

The City of Hilliard is seeking financial sponsorship and in-kind services to continue to fund this project and add additional features. Visit hilliardohio.gov for more information about how to support this project.

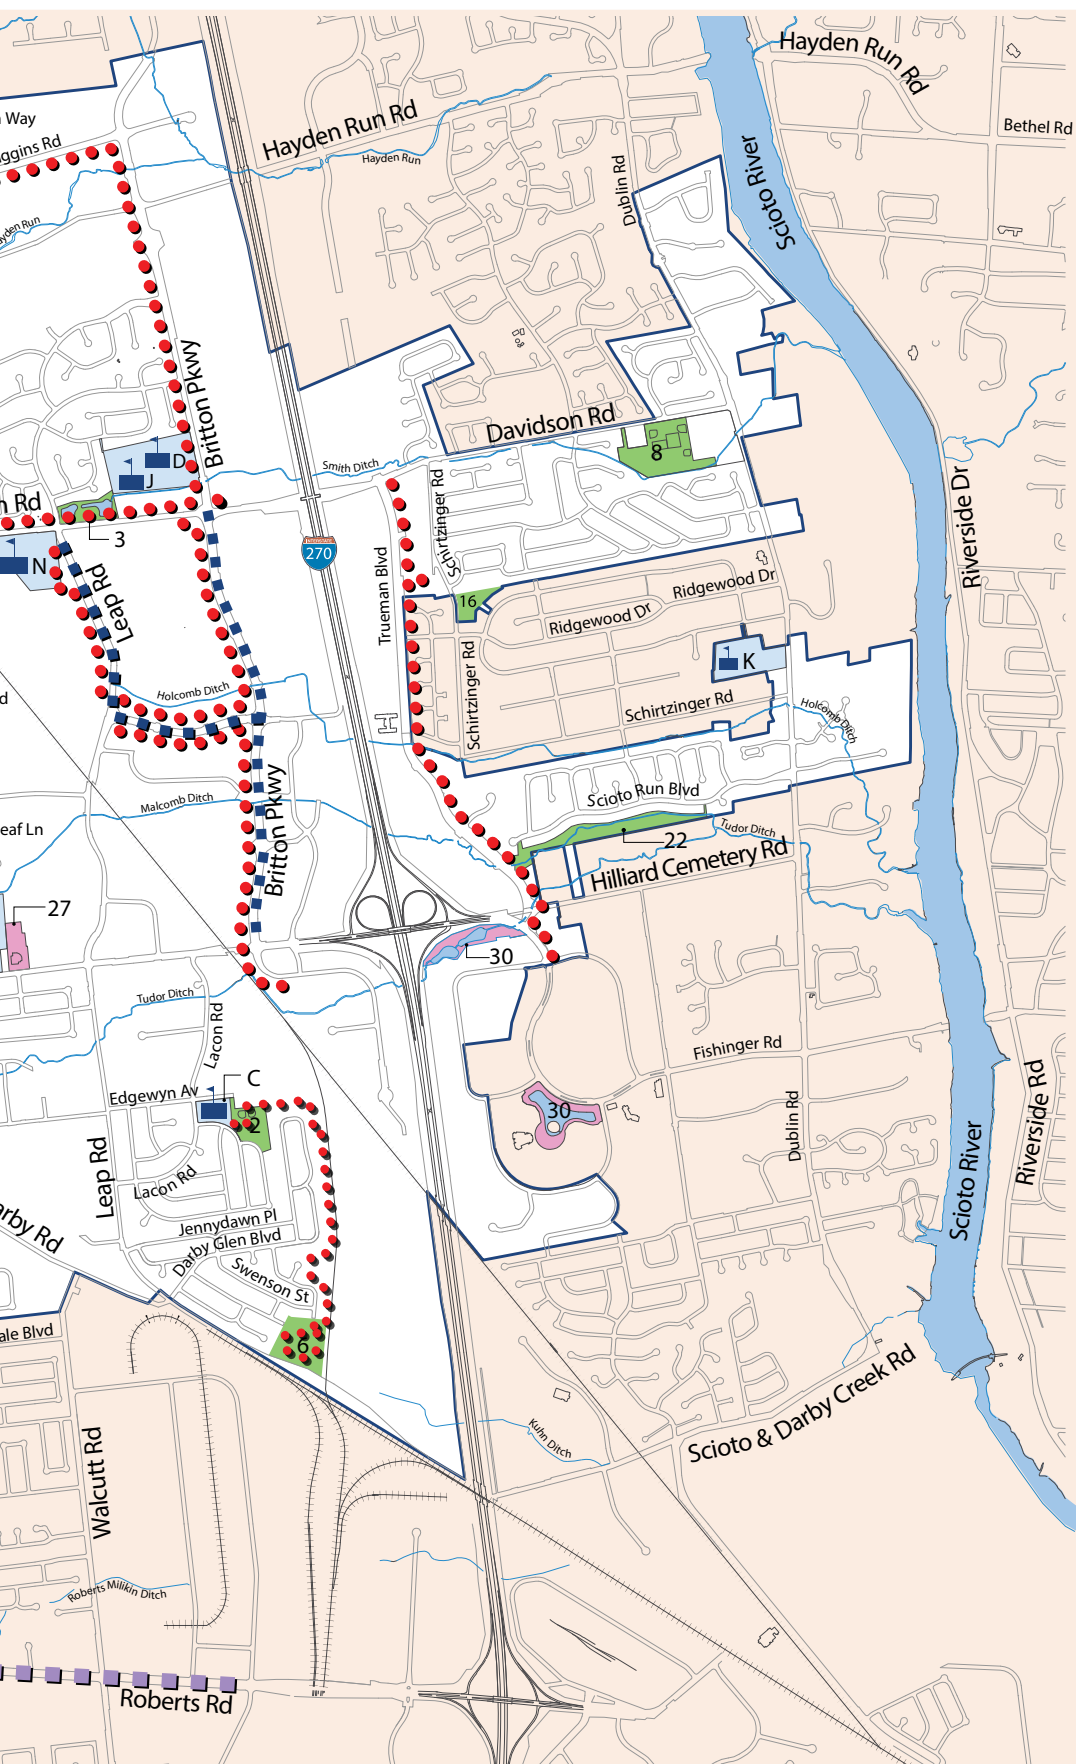

WE'RE GREENER THAN EVER BEFORE!

Have you seen the new recycling bins in our parks? The Environmental Sustainability Commission was recently awarded a \$13,000 grant from the Solid Waste Authority of Central Ohio to place fifty 60-gallon portable plastic recycling bins in various parks and public spaces around the Hilliard community.

HILLIARD'S STATION PARK

Hilliard's Station Park is located at the starting point of the seven-mile Heritage Trail in downtown Hilliard. Until the mid-20th century, this was the site of the City's original town center, where Main Street and the old railroad station came together. The station is long gone, but the City wants the site to be a center of activity again. Part of a phased revitalization effort to bring business and activity to downtown Hilliard, Hilliard's Station Park is both a recreational hub for a nearby bike trail and a year-round event space for the community.

The park contains an amphitheater, spray park, multi-functional building with event and food prep space, and a public restroom. Architectural features of the two buildings reflect the site's past use as a train depot. Glass garage

doors on the event space can be opened to allow guests to enjoy the interior and exterior space as one venue.

Watch for more information on our Facebook Page or the City's website for details on the Ribbon Cutting and events in this new park.
